## **ATTENTION CPC MEMBERS....**

### **WE HAVE RESCHEDULED OUR APRIL MEETING DATE**

The meeting has been rescheduled so we can put the finishing touches on the draft Transportation Plan for 2030. We will send you a copy of the draft Plan the week before the meeting for your review and critique. The meeting will be a slightly different format because CPC will be hosting the official public hearing for the Plan and we hope to see many people there.

After we present the draft Plan, it will be presenting it to the Area Plan Commission at its May 17, 2006 meeting for their review and possible adoption.

The Transportation Improvement Program identifies the transportation projects that will be built in the near future. So, please plan to attend and give us your input and thoughts.

#### **New Meeting Date:**

***Date: May 9th, 2006***

***WHERE: Grand Prairie Room, Tippecanoe County Office Building***

***WHEN: 7:00 p.m.***

***Hope to see you there***
